The purpose of this announcement is two-fold; first, we would like to notify you that our pharmacy will be joining the Clark's family of pharmacies on May 21st. Roger, Doug, Sierra, Nicole, MaryAnna, Lou, and Sandy will all be joining the rest of the staff at the Clark's Kettering/Oakwood location. You will soon see other notices and advertisements of our move. Our phone number will not change and details of the new location are located on the opposite side.

Secondly, and more importantly, we would like to extend our appreciation to you for your continued support and trust in us as your local healthcare providers. This is a move that we think will help us continue to grow and continue to provide family-focused health services for the region. We want you promise that this move should be as 'seamless' as our last nearly four years ago.

We realize that you may have questions regarding this move, please stop in, call us (937-293-3172), or email Doug [doug@medicineshoppekett.com](mailto:doug@medicineshoppekett.com) if we can answer any of your questions. We will also be updating you of some exciting new healthcare services and offerings that we will be planning for the future.

Kind Regards,

*Roger Doug Sierra Mary Anna  
Nicole Lou Darlene*
